52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

The following factors shall be used to evaluate offers: price and product (Firms offering on products other than Gould Model 3196 must submit product literature with their price quote).

Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
